**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On February 21, 2019, the Compensation Committee of the Board of Directors of Avid Bioservices, Inc. (the “Company”), approved a modification to the relocation benefits payable to Roger J. Lias, Ph.D., the Company’s President and Chief Executive Officer, under the terms of his employment.

As previously reported, the Company agreed to provide Dr. Lias with a monthly housing stipend of up to \$3,200 per month for a period of up to thirty-six (36) months, or his earlier permanent relocation to Orange County, California. The foregoing amounts will be grossed up to offset federal and California income taxes. In the event that Dr. Lias relocates to Orange County, California within the foregoing thirty-six (36) month period, the Company will pay to Dr. Lias a relocation bonus of \$50,000 to cover the costs associated with the relocation. The relocation bonus will not be grossed up for federal or California income tax purposes.

As modified by the Compensation Committee on February 21, 2019, in the event that Dr. Lias permanently relocates to Orange County, California by October 1, 2019, the Company will pay to Dr. Lias a relocation bonus in the amount of \$50,000, which will not be grossed up for federal and California income taxes. In the event that Dr. Lias relocates after October 1, 2019, but prior to the expiration of the above thirty-six (36) month period, the amount of such bonus will be reduced proportionately to zero if Dr. Lias does not relocate by the expiration of the thirty-six (36) month period. The relocation bonus will not be grossed up to offset federal and California income taxes. As further modified by the Compensation Committee on February 21, 2019, in the event that Dr. Lias relocates to Orange County, California within the thirty-six (36) month period, the Company will reimburse Dr. Lias for his relocation expenses incurred in an amount not to exceed \$50,000, in lieu of paying such amount to him as a bonus as originally structured. With respect to the relocation bonus and the reimbursement of relocation expenses, in the event that Dr. Lias terminates his employment (i) within six months following such relocation, he will continue to be required to return to the Company one hundred percent (100%) of the relocation bonus, or (ii) during months seven (7) through twenty-four (24) following such relocation, he will be required to return a pro-rata portion of the relocation bonus.
